“ Jay, Boys, & Family, It has taken me this long to be able to write. I loved Rosie and all of you with my heart, so many great memories while raising our kids together. It is so hard to say that she is gone. You're all still loved and needed in our lives. Let me know if Misti plays in OKC and I'll do my best to come and watch. You are all in our prayers.

“ Jay, Mike, Joe, and family, How luckyly you were to have such a wonderful wife, mother, and grandmother. Rosie was so dear to us and everyone of us well miss her very much, but she is in heaven with the Lord now and not hurting anymore. When they lived on Geneva street she was so good to my mother and dad, and they thought the world of her. When mother passed away she was always fixing daddy something to eat. She was a wonderful person to all. Our prayers are with you and May God be with you. If there is anything you need we are here for you, just let us know.

“ Mike and Sharon,

Sorry to hear about your mom. I still remember us cruising to the little league games in the old t-bird. She would laugh and poke fun at us boys with the best of them. She did a good job of letting us be kids. They were great supporters of our athletic programs. May God bless during this hurtful time. Glen
