“*Charlene, I am so sorry for your loss. From the time we moved to Bradley in 1959, Adam Carl became one of my very best friends. I will always remember the good times that we had playing baseball. Over the past few years I visited him whenever we came to Bradley to visit my family. I really enjoyed going back in time and I will always cherish the memories. Charlene, I really admire you for the good and loving care that you gave to him the last few years. I will really miss seeing him when we come to Bradley. May God give you and your family comfort in this time of sorrow.*”
