“ My deepest sympathies on the passing of Alice. We go way back to when I started doing her hair and Violet's. She always remembered my family on birthdays and Christmas. My kids grew up with crocheted houseshoes that Alice would loving make for us. Have lots of memories of being her beautician and then her co-worker. She will always have a special place in my heart. May the Lord give you comfort and peace in your time of sorrow.

“ Alice was not only a former next door neighbor, but also a dear friend of many years. Her kindness and wonderful zest for life were a blessing to our entire family. My mother, Barbara, sends her love and prayers. Mom and Alice had a weekly phone appointment for many years after they were both unable to travel. We will always hold fond memories of cookouts, card games and shared projects. My Dad, Wayne, and James were always up to something together while Barb and Alice made sure that Sue, Chris, Karen and I were being good kids. Our dogs, Tom Dooley and Spot were even buddies! Our love and condolences are sent your way as we treasure the amazing memories that we share.

“ To Alice's Family, Your Mother was one of the sweetest & kindest ladies that I've known. We loved her at First Christian Church and have missed her but know that she is in a better place. The Russell Family
