“ Hello Family,

So sorry to hear of my Aunt AnnaLee's passing. It has been such a sorrow to me to loose all of that part of my family. I pray that all of you will be each others' strength at this time, and know that even though we have not spent much time together growing up because of the distance between us, you have always been in my thoughts and prayers. May God be with you at this time. My thoughts and prayers are with each of you.

Love,

Janice

“ *Terri, Tyler, Pam, Jerm, Dale, and the Family....I grieve for you today. There are so many chapter to read in the book of the Goodner family..some very funny, some very sad...they all contain color and excitement..nothing dull about this bunch..You are all wonderful in your own way, with God designing each of you just as he wanted. As you go through each chapter, one would find that there was one missing its ending. That chapter can now be closed. As I recall an old Ray Price song, Remember the good times, I would suggest you do that today in your hour of sorrow...and then, when you have exhausted all your efforts to gain comfort, draw near to God. As you look back someday, it is there in the final analysis you will see that HE is the one who heals all pain..who grants all comfort..who gives the perfect peace that passes all understanding because of HIS love for us..I pray for you all now, and hope to see you soon.
