“ When Audra was a teenager, among her chores was doing the family laundry. She said, "Alright, if I am to do the washing, I'm going through the pockets, and if I find any money, it's mine." One day after she had finished the laundry, Ollen asked her, "Sis, did you find a \$20.00 bill in my pants pocket?" "Yes, I did," Audra answered. Ollen had a sad look as he said, "I just wanted to make sure it wasn't lost."

Submitted by Audra's Uncle Loran Hugh Parker, who is actually nine months younger than she is.
