“ I am sorry for for your loss. I am sure that you look forward to a time discribed at John 5:28 when you could see, hug him again and he will be perfect. So could you and you would never suffer- Revelation 21:4. You owe it to your loved one and yourself to listen to Jehovah's Witnesses when they come to your door. Take care!

“ Michell - Just wanted you to know how sorry we are for your loss. I never met your dad but Ron thought a lot of him. He gave Ron some good advice as to how to get the best out of your land. He really enjoyed the time they spent visiting. Hold on to your memories of good times. They are precious.

“ To the Family of Austin, We knew your Dad real well, he told us of fishing stories and his feelings on life in general.(that was normal for him to do)I remember him putting a crawdad in a quarter jar with out saying anything and I had to pull quarters out and it scared the fire out of me and he got the biggest kick out of that. He fixed our adopted daughter,Cristens fishing pole for her because he wanted her to get a big fish. Austin you will always be remembered and God Bless the family during this time and be with them. Danny...We are so sorry we know how close you was to your Uncle Austin, our prayers go out to you also.
