“ No matter how much time passes, we will never forget and remember that people are praying for you. We especially pray for you at this time of year. I know it is hard, I've been exactly there, but wrap yourselves in the comfort of your family and friends to get through this holiday season. I know your baby boy would want that. He loved you both too much to want your hearts aching at this time. We will never forget.

“ Bill, I was so sorry to hear about Barrett. I was reading the obits in the Daily Oklahoman and came across Barrett's. I cannot imagine the pain you have been going through. I have always held a special place in my heart for you and your family and want you to know your friendship through the years has been special. “ Bill & Diane, You will always be in our thoughts and prayers. We can't begin to tell you how sorry we are. Barrett was just like a member of our own family. We truly know what a special, and wonderful young man he was. The loss of Barrett will be felt by our family for the rest of our lives. Our four daughters just adored your handsome son. Derrick loves him like a brother. Barrett was always so kind, & polite. Looking back on conversations we had with Barrett you never saw him without a smile and a kind word. We were Uncle Greg, Uncle Terry, MawMaw, and Aunt D to him. You should be proud of yourselves as parents for what you accomplished in such a short time you raised a fine young man. He is now an angel in Heaven. If you ever need anything do not hesitate to call any of us. We love you & We Love Barrett. Always The Adams, Schreiber, & Scoggins Family

“ Diane and Family: I rarely look at the Obituaries, but your handsome son's picture caught my eye today. Something compelled me to read further. I realized his mother was Diane Foraker that I worked with over 20 years ago at the Bank in OKC. My heart sank for you, because I too have a son Barrett's age and can only imagine the heartbreak a devastating blow like this can have. Please know you are in my thoughts and prayers in the coming days and months. Love, Beth

“ Bill, Diane and families of Barrett, I know the shock effect of losing such a precious young man will remain for a long time. However, knowing and realizing how many lives were affected by the precious time Barrett was here makes me smile. Why because everything that I know of about Barrett was so positive and so uplifting, not one negative thing. I will always remember him walking by my room and stopping to talk or just smiling and speaking made my day. Barrett had such a gift of dealing with people that he will always remain in my heart. Yes, I'm sure you have or will hear all of this, but he was so loved and that's such a comforting blessing. You will remain in my prayers for a long time. Smile at the memories--they must be so many..Love, Mary Magby

“ Diane and family,

We just wanted to send a note and let you know that you are all in our thoughts and prayers. We remember when you called to ask Barrett if it was ok if you named your little boy Barrett. He was so honored and excited for you to do that. There is nothing that we can say that will ease your pain, but please know that even though we are far away from you in body, we are with you in spirit and love. We can never understand why something like this happens in life, but we have to understand that God knows what is going to happen and why. Please do not get angry with God during your grief, but lean on the Lord for comfort. We will be praying for all of you now and in the days to come. With love and sympathy.

May you find assurance in knowing that when he closed his eyes to this world, he opened them to Jesus, greeting him, taking Barret to show what a paradise He has been preparing, and then finally there to God. There stood Barret at the foot of God, He reached down, and wiped away that final tear. Your baby boy will never hurt again. I pray that some day, you will find peace.
