“ To Jean and Family,

I am so sorry for your loss. When I learned of Miss Berties passing the

picture that came to mind was the three of us in the YAK YAK room.

Remember how she loved to hear about our day and how she would laugh at

the things we did. I loved her very much, she was so much a part of my

life growing up. May you find comfort as each day passes. My prayers

are with you all.
