“ I have been trying to reach Betty @ her Houston home # but the mailbox was full and later disconnected. I used to work with Betty @ Goldston Oil. We talked about getting together @ her favorite place No Minors aka El Patio for lunch but she was always too busy or in Lindsay for the holidays or Florida in the summer. How I wished we had gotten together.

“ *I started working at Goldston in 1979 so I've known Betty for a long time. I actually spoke to her a couple weeks ago & we talked about getting together for lunch when she got back to Houston. I am so glad, now, that we had that conversation, but so sad I won't be seeing her. There is a special place in my heart for the kindness she always showed to me & my family. I want to extend my deepest condolences to all her family...I know how much she loved you all.*
