“ Terry and Troy. What a prince heaven has gained. I remember Bill allowing you to drive his old Ford pickup when we were kids. Several of us neighbor kids went along for the ride. Terry was the only one closest to actually getting a drivers licences so she had to drive. Also all the ice cream treats we ate off the milk truck. Those have been precious life long memories for me and I look forward to the day I see Bill again. I Love you all. Tom
