“ Dear Vicki and family,

My wife and I were saddened to hear of Billy's passing. Billy had a heart of gold. I so enjoyed his company at OPSU and we were even roommates. We both struggled with the passing of a good friend our freshman year. Billy always lit up a room. He could make the most dour person crack a smile. He once told me he was a Leopard for life. I share in your deep sadness but I rejoice for having known both of you.
