“ Having left Lindsay over 50 years ago, I didn't know either Blair or Abe, but I am proud to honor them for their generosity to a stranger. They are representative of the fine people I grew up with in Lindsay. God bless all.

“ I moved to Lindsay, Okla. in 1969. I met two men, one was Blair Adkins and the other was Abe Murry. I was sleeping in my car while I earned the money to relocate my family. Jackie & Blair let me charge my meals and Abe Murry made me except a loan of which was repaid by his terms. These men showed me a lot of respect and although I certain I never told them but I learned respect as well. I want to Thank You for maken this web site, so people can give honor and respect to those God called home. My name isn't important. May God watch over you Blair and I Thank You for being there for me in my time of need.
