“ My condolences during what must be a difficult time for your family.

 I greatly appreciate all you and Bonnie did for the twins, Anna and Emma, when you were responsible for getting them to and from school in Sulphur.

“ I cannot tell you the time of day I first met Bonnie, or what day of the week it was, or what week of the month, or even the month, and I never dreamed she would become a dominating force in my life. After my mother died while I was a Junior in high school she adopted me with out reservations into her family. Not only did I find myself with a new mother who I came to love with all my heart, but I also had my first sister Jenetta and two new brothers Wayne and Jeff. I know that the I have never met a harder working, more giving, and compasionate woman in my life. I also know that her generosity touched many more in this town and that she will be missed by all the people who ever knew her. May God welcome her and place her in a special place in heaven.

“ Ardrey Family: Your Mom was a very sweet friend. She always had a smile and a hug for me. And she was always talking about her grandchildren. She was so very proud of her family. I know each of you will miss her and so will I. May the Lord comfort each of you during this difficult time.
