“ *Sorry, I do not know Mr. Harris, but I was touched by Tena's note. Maybe your little brother was in my little brothers class. Chuck was his name. Just perhaps a connection. What I really wanted to say was that I admire your spunk, your response. I believe in confronting bullies. Often the bullies are sociopaths, but doesn't quite sound so in your case. Any which way, sorry for your loss. Your brother, having been born in 1959, is still very young to have died. My best to you and your family.*

“ *To My Brother, Brandon Ray...if u came back from heaven, would it be like it was then? Could we just pick up where we left off...and try it all again? If you came back from heaven, it would freeze me in my tracks...And I hope God knows if he let you go, I'd never send you back...hey sweet brother, my teardrop fell into the ocean today, and when someone finds it, is the day I'll stop loving you. Love Sherri*

“ Ray was my little brother and regardless of what he did or did not do in this life, he has a family that loved him, and a Savior that loved him. So, the person that has been posting hurtfull notes, they are not hurting Ray, they are hurting the family that loves him.

“ Thank you everyone. For your Prayers and kind words.

Dad had alot of Ups and Downs in his life but i will always remember his smile and his laugh . They way he was always willing to lend a helping hand. The hardworker that taught me to live life to the fullest. And never give up on my dreams.

He was a thinker who sometimes had wild ideas but never was afraid to be himself and tell us he loves us.

I love and miss youdad but i know your watching over us in heaven. Love you always.
