“ Shirley & family: I can't begin to tell you how sorry I am for your tremendous loss. The cliché 'Blood is thicker than water' is only that, & I sincerely want you to know that I will help in any way to ensure that Heath, Brandon & Faith do not end up living with Fran. You can't pick your family and I'm so sorry for the pain & misery Fran has brought to yours. Brooks was a terrific dad whom obviously loved those kids and I hope you do everything in your power to ensure that they have a chance to have a happy & full life despite the loss of their dad, & as you know if they end up with Fran, they won't have those chances. I love them with all my heart & my heart aches so much that they will grow up without their daddy. Brooks & I spoke when he had first started treatments, he joked about the 'buddy system' & we could receive our treatments together, unfortunately his cancer was worse than mine. Brooks always had something funny to say if he knew I was overwhelmed with my sickness & the depression that goes with it. He will be missed very dearly. You raised a great man who I'm sure you couldn't be more proud of. Please tell the kids that Aunt Sonja loves them very much and please if there is ever anything I can do to help with them, don't hesitate to let me know. Your family is in my prayers as you try to get through the loss of Brooksy.
