“ At one of the saddest times in my Uncles life, was when he met my daughter, Alicia. She was about 2 yrs old. She did not go to new people, ever, much less let them pick her up, but that is exactly what she did the moment she saw Uncle Barney. She ran right into his arms and wrapped him in a huge full body hug. That was the day we said goodbye to Sandy, his daughter. He was always so full of love. 💕
We will all miss him.

Children and dogs are highly intuitive and know good people when they meet them. My fiancé's dog does not like men at all but she loved Barney from day 1! You could find her next to Barney every morning getting her daily butt scratches from him. Reading your comment made me smile. Barney had a heart of gold and will truly be missed. I am so sorry for your loss.

“ I would like to start by sending my condolences to the Christie family.

I was blessed to be Barney's friend and caregiver for the last 2 years. Barney was one of the greatest men that I have ever had the pleasure of knowing. Barney had THE BEST personality and could make me laugh even on the worst of days! He loved playing domino's and checkers and he usually won. Barney was a very intelligent person and so much fun to hang out with! I learned a lot from Barney in the short time I was with him. Even though he couldn't get around well or do much for himself because of his health problems, he never let that get him down. He was always smiling and joking when other people would have been having themselves a pitty party.

I am heartbroken to hear of his passing but I find comfort knowing that Barney was strong in his faith and loved the Lord with all his heart and because of that, he is now rejoicing in heaven with our savior and dancing in the sky with the love of his life, Paula.

Until we meet again, fly high dear friend 🤍

RIP Barney 🙏🙏🙏 I love you and will never forget you!
