“ Tracy & Family, I'm so sorry for your loss, I had the pleasure to work with Carl at DCP Bradley Plant for 4 years. He was always a man of integrity and someone I looked up to. He often told me he enjoyed his job but the number one reason he worked so hard was to provide for those he loved. He was a devoted family man and a great friend. Please know that you are in our thoughts and prayers.

“ I will miss you greatly and babysitting your children. Although my daughter Jaimie was named for my best friend I also considered spelling it as your daughter. Your family means so much to me.

“ From what I know about Carl....he is spoken of very highly through the family....being here in Denver and then across the world I always knew that I could feel safe knowing that her two oldest boys were there for my Uncle Dave and Aunt Nancy who might I add raised them to be the best loving, good morale, and proudest people I know (regarding their family in all of Pauls Valley!) well Carl my cousin you outlive my dad by 10 years so while you're up in heaven teach him everything you know but I think you probably got that already from the man upstairs. And I plan on sticking close to the family that's left behind and that loves you so very much because we know that we're not alone and you're right there when we want to see it. All my love to the Okies. Heidi Hansford
