“ *There was a joy and a spirit apparent whenever I came to see Bonnie as a patient. She sang, she prayed, she gave love from her very soul. I will greatly miss her.*

“ Thank you all so much for you kind words. She touched so many lives and she was touched by many also. She loved everyone that came her way. Her main love was making people smile. I know that I can speak for all of us when I say she will be truly missed by all. She was a wonderful person, I love her dearly and will truly miss her. I was told a few days ago that the times that I would come and pick her up and bring her to Chickasha to Wal-Mart was one of her favorite things to do. I feel blessed to of had her in my life. Thank you all once again for your kind and loving words She was a wonderful woman and will be missed.

“ David, Dennis and families, I am so sorry for your loss. You guys lived next door to us for what felt like my entire life. There wasnt many days that passed by back then that we didnt get to see Bonnie. She was almost like a second mom and to me she was always the voice of reason. Sometimes I hated that cause you just knew what was gonna come next. I will miss her smile, her hugs and just knowing that she was there and cared. All of you will be in our thoughts and prayers.

“ Guys, We are so very

saddened by your loss. Bonnie was that special person who most always had a smile and words of wisdom. I know how she watched out for everyone at the home, but was ready to move back into her apt. You know how much we loved her. We love you too and will keep everyone in our prayers.

“ Dennis, David, and family, Your mother was a very special lady always there when she was needed. We loved her so very much, and well miss her very much, but she is in Heaven now and not in any more pain. We lived next door to Wayne, Bonnie and boys, since our children were small, all our children grew up together. I remember the evenings we all use to set in the yard together and talk. Dennis and David you had a wonderful mother, and she loved all of you so very much, you were her life. May God Bless you, Always remember we are here if you need anything.
