“ *Sorry to hear of Darleen's passing. Met her back in 1956 when her and Jerry had the laundermat. She was a hard working, wonderful lady who later became my youngest son's kindergarten teacher. She was someone I'll never forget. RIP sweet lady.*

“ *Jerry, Teresa, Steve and Mark -- So saddened to hear of Darleen's passing. When I was young Jerry and Darleen were just another part of our family. I remember when they built their new home, and during our tour one area was done in bright bold colors - Darleen said something about decorating by a kindergarten teacher. I hope that all your wonderful memories in the days and months ahead will give you comfort and the Lord will surround you with peace. Thoughts and prayers with you all.*
