“ Darryl Dean was my Dad's (Clifford) youngest brother. He was born in 1947 and I was born in 1948. We grew up together and Dean was more of a brother than an Uncle. So many memories ... throughout our lives he kept up with us always letting us know how much he loved us. We shared his life stories about his children and he was always so proud of his grandchildren . He was positive and unselfish and wanted everyone to be happy. He never gave up no matter what.....we regret not seeing him more these past month and not answering his many invites to come and see him. I will miss his vibrancy and colorful spirt... his "I CanDo It" attitude that certainly left an imprint on my life. Your in full body now... go dance with the angels... and we both knew and loved a bunch that were waiting on you .❤️❤️❤️❤️❤️❤️
