“ *Karla, Kyle, Kory and your families, I am so saddened by Dean's passing. He was the very definition of a true friend. No matter the circumstance any of his friends or family might find themselves in, Deano would always help any way that he could. I know that he helped me whenever I needed it. Period. We had many laughs and small adventures while growing up and I have great memories working and goofing off with him. He will be missed, greatly. Please know that Gina's and my heart hurt for your family and our love and sympathy are with you.*
