“ *This memorial is to my guardian angel, my Aunt Dean. I know that I have to let you go, but I don't know how. The love I felt for you throughout my life will never diminish. God has a reason for everything, & I believe, you were here on this earth to give me the love I couldn't get from anyone else. I know I will see you again, tell the family all hello from those of us left behind. Your greatest legacy is your daughter who loved you so very much & her wonderful children. Rest in peace, my angel.*
