“ Aunt Geneva, Teresa, Rusty, Dan, and Jason and Josh,

Shock and dismay when I learned of Deb's untimely passing. Remember when her and Jeff were babies and we traveled to OK in the heat of the summer with a water cooler in the window? Take care of yourselves and let the Lord comfort you. Am so sorry I couldn't be there for the memorial. You are all in our thoughts and prayers. God bless. Jeanette

“ My deepest sympathy to all of Debbie's family. I always considered her my best friend from school. I will always treasure all the special times we had together in school and when we lived together and how she would get up in the night and help me take care of my son, Eric. She was a very beautiful person both inside and out. We shared alot of secrets with each other in our lives that will always remain in my heart forever. It gives me great sorrow to know that she is gone and that I was not in her life at this time. I know that there were both good times and bad within her life and family. I pray that all can remember the blessings that Deb brought into our lives.

“ This is a very hard time for all of us. I will always remember all the good and bad times Debbie and I had growing up. We were very close cousins. I can still hear Uncle Russell wanting to know what us were getting into know. Our hearts are heavy now but remember we will all be together again. Don't forget that big smile she always had. My heart goes out to each one of you because of the pain you are enduring.

“ Deb- I hope your running amongst the clouds in heaven with the rest of our family that went before us. Join the rest and wait on the others of us to join you. We sure had great times as kids growing up. They were all good times even when we got in trouble. I know you are no longer in pain now and have no troubles or issues to deal with. It is all easy sailing from here on. Go with God and know that we will always remember you.

Your Cousin, Sheila

“ To the blessed family of Debbie Gordon Hendricks.

Just keep reminding yourselves of the wonderful but short time you had with Debbie. I am asking as a member of Deb's family for you all to reunite even stronger as one unit for Debbie and yourselves. I know as I have also lost a great deal in the last two years. My heart has a hurt in it now for the family. You will all heal to some degree in time in your own way. Stay as one and I can assure you that you all will be stonger that way. Debbie was a strong person in all that she endured during her life. Let her lead the way and her family follow. Stay strong and if any of you need to talk. I will listen.

I cannot solve or lessen the hurt, but every one of you stay as one while I read some of the memorials that have been written. **KEEP DEBBIE'S MEMORY POSTIVE AND HER LIFE EXTRAORDINARY.** Remember she loved everyone of you and I. Show your love of Debbie in your compassion of others. The last couple of years that we did see each other in OK or talk on the phone she was nonjudgemental. Let's all let that be one of the great lessons that Debbie left us. Think of the good times that you had with her.

“ My condolences to Debbie's family and friends, especially her children. I was fortunate enough to have had the opportunity to meet Jason and Josh and you boys know your Mom loved you sooooo very much. I am very thankful and blessed that I had the privilege of being on the receiving end of your Debbie's friendship. She was a sweet, giving woman and I am very happy I was able to meet and build a relationship with her. Though our friendship had not been extremely long in time, we did have a great bond and I knew that regardless of where either of us ended up living, we would remain friends till the end. I join you all in your sorrow, as we have all lost someone very special. I will miss you greatly Debbie. You will forever be in my heart and prayers. I love you Deb. Rest in peace. Your friend, Julie

“ Geneva & family: We are so saddened at the news of Debbie's untimely death. Will never forget the little girl with the deep dimples and long eyelashes that curled like she had just a curler on them. God has picked another flower for his heavenly bouquet, and may he gather you all in his circle of love in this time of sadness.

Love to you all,

Jim and Linda (Banks) Renick

“ *To the Gordon Family....I'm saddened to hear that Debbie has left so early in life. I will always remember her (Geb we lovingly called her) big dimples when she smiled, which was often, always accompanied by a big laugh. Sorry for your loss.
