“ Sis. Debbie Burton was such a special lady. She had such a positive outlook on life. Many hills and valleys she had gone through, but she always had an encouraging word for those that needed uplifting. I'm reminiscing of the many Sunday after Church lunches and fun nights at one another's homes hanging out. Deb and I would spend the evening cracking up at our husbands making jokes and trying to be comedians. She was a jewel and will be greatly missed. Rest is peace my sweet sister. My prayers are for the family. Rachel Branham
