“ Marqueta, Ricky, Pud, and Lonnie - I'm so sorry to hear about your Dad. You would think with today's technology and having relatives in town, I would have heard about this the week it happened. It has brought me to tears flowing to know I missed knowing your precious Daddy passed away. Please know you have my deepest sympathy and I'm so sorry to hear of his passing. Michele Branch happened to tell me tonight and I was in shock that I didn't know. Love you all!

“ When I think of Delbert I reflect on his humor, wit and integrity. He was a great man and I always enjoyed him except that one time when Rick and I were trying to explain why we were in trouble. I'm sorry to see him go but I know heaven just got a great guy.
