“ Hello Norma, I was s friend of Dick. We went to East Central together from Lindsay. I remember the day he drove us to East Central. We were excited to start a new adventure. He hadn't been at East Central long until he saw you and fell in love with you instantly. He said that you were the girl he was going to marry! That was in the Fall of 1961. I guess you were married that year. I remember one time you let me borrow your car for a date! I went ahead and graduated in 1966. I married a girl from Rockford, IL and have been married 57 years. We have 8 grandkids and 4 great-grandkids. I had a 38- year teaching career in Rockford. If you read this, I would like to hear from you!
