“ I only knew Donna as a customer when I worked at Wal Mart. I remember thinking EVERYTIME she was there - She's much stronger than most. She always had a beautiful smile and never, never appeared to be anything but blessed with good spirit. She was an inspiration for me to be a better person. I think, well if she can get up and face the world with a smile everyday, so can I She touched people she didn't even know. That's powerful stuff. Just let the Lord hold you in your time of sorrow. She is a beautiful person, through and through.
