“ Mike and Steve- sorry about getting this posted late, but I wanted to send my condolences to you both. First of all, Dorene was an amazing woman; just to put up with Charlie would be a legacy in itself. But she amazed me in that tag office- I have found one other woman in the state that gets close to matching her knowledge AND kindness when getting processed as a public servant. In a constantly changing world, her calm assurance was always welcome. I had the pleasure of being invited into her home a few times, and she was so gracious. She never shirked a task- constant motion would have described her. She was highly intelligent, and her and Charlie complimented each other so nicely. She lived a good life- sorry I couldn't attend the service, but I hold you two in high esteem, just like your parents. God bless guys!
