“ Kim, Gean, Shaina, Shelly...

I am so sorry to hear of Jean passing. Ive known yall a long time. Heck theres been many good times had.. Always remember the good times in ur memories.. They will help u thru the days to come. My niece wrote this many yrs ago i found it to be fitting at this time, i did change a few words...

If tears could build a stairway.

If tears could build a stairway

and memories build a lane, I'd walk right

up to heaven, and bring you back home.

No fare well words were spoken

No time to say GOODBYE

You were gone before I knew it

and only GOD knows why.

My heart still aches with sadness

And secret tears still flow

What it meant to have a mom

like you, No one will ever know,

But now I know what it meant too

have a mom like you

By remembering all the happy times we shared

Life still has much in store for me

Since you will NEVER be forgotten

I pledge to you today

A hollowed place within my heart

is where you will always stay.

I love you mom ..

If u need anything please let us know
