“ Kay @ Family When I heard today about Libby. I had just seen Libby yesterday, and I was at my house in Lindsay, and she drove by and said Hi Judy. I just can't believe this has happen. Libby and I have had alot of fun. Went and got her at Chickasha one night she had got stranded there, and she called needing a ride home and it was real icy. Some how or another I made it over there and got her and brought her home. I will cherish our friendship, but Aunt Libby was needed in Heaven and you know we might not understand why this has happen right now, but will have to leave it in Gods hands. In the Bible it says in Romans 8:28 And we know that in all things God works for the good of those who love Him, who have been called according to His purpose. If you need any thing let me know I gave Kalee my phone number. I love you and I'll be praying for you. Love Ya! Judy Williams (Summers)
