“ I am so sorry for your loss. Ester sounded like an amazing mother and grand-mother. Even in a mere picture one can tell she was a source of joy; an individual with a glowing spirit and a contagious smile. It is well-known that nothing compares to the love of a mother... a love which is everlasting. I pray that you are able to find comfort in the happy memories and feel warmth from all the love and support being sent your way from friends and family during this difficult time. Please do not hesitate to let me know if there anything I can do to make things even a little easier during this time. My heart, love, prayers and sympathy is with you.

“ Grandma had such a beautiful soul and will be dearly missed. I am thankful for the love she showed us and for all the wonderful memories we have of her. “There was magic in grandmother’s touch, and sunshine in her smile. There was love in everything she did to make our lives worthwhile. We found both hope and courage just by looking in her eyes. Her laughter was a source of joy, her words warm and wise. There was a kindness and compassion found in her embrace, And shining down from Heaven above we see the glow of Grandma’s face.” ~ Author Unknown ~
