“ Dear Clements family, our hearts go out to you and our prayers will continue for you. Fern was so special to so many of us in the youth of the church. In the mid 70's when Rhonda and I were a part of the church, Fern always took the time to talk to us. She supported us and the rest of the youth completely. It is due to her and other loving people like her than I have been a youth minister for the past 22 years. She made a difference in our lives, and we will never forget her.

“ Ronnie, Brent, Martha, Bill... Bless your hearts. I know this sounds unbelievable, but I thought of Richard within the last week... it was a political thing on the radio. I remembered how much his death scared my dad and how my mom always spoke so compassionately about Fern because of it. My mom died July '05. I remember this site a few times a year - especially now that we are of the age where are parents are wearing down. Your family added untold value to Lindsay and represents a standard of culture and living that perfectly defines all of us small town citizens. Ronnie, sorry i missed the reunion in '03. My sympathies to you and yours.

“ Bill, Brent, Ronnie, and Martha and families,

Words can never express what Fern meant to me. She helped me so much when Mom and Dad passed away. She became Destani, Brayden, and Brayley's Granny too. They loved her as much as all of us. There are so many good memories of our families' times together on Choctaw street and at church. Those are always etched in my heart. We will all miss Granny Fern, but we know that she is no longer suffering and is at peace with our Heavenly Father. May God be with you all during this time. Love to each of you, Cynthia

“ To Bill, Brent, Ronnie, and Martha....I'm sorry to see that you've lost your mother, but I know there is a special place in heaven for her. I always had a great deal of respect for Fern...always greeting those around her with a big smile, and you knew that she was genuine in her care for others.
