“ Loy and family,

Know that all of you are in the hearts and minds of our church. Though we did not have the opportunity to know Florrie personally, she has made an incredible impact on us through the incredible impact she made on her family. Her love lives on in your love - and we thank God for that.

With peace & love in Christ,

“ Vicki, I am so sorry to hear about you losing your Mom. I wish there were words to bring comfort and ease grief at this time, but truly, only the words that can give any solace at all is simply that she's with the Lord and with your Dad, and you'll see them again. Know that truly you are in my thoughts and prayers.

“ Vicki, Cristen & Stacy, We are so sorry to hear about your Mother and Granny. Words can't even start to say how we wish we could help you right now. Your loved one is now in Heaven and is no longer in any pain and is running around seeing people she hasn't seen for a long time and she is in the presents of God and that is so much better then being here on earth even tho she loved each of you so very much. She will forever be in your hearts and thoughts and all the memories you will get to share about her is so wonderful. Lean on God to help you get past the missing her part and you will feel close to her through God. We are here for you , you know how to reach us. We may not be at the service in person but in our hearts and minds you know we are right there with you. We love you so very much. God Bless and Be With You.
