“ Thomas, Donna, Sena, and Family: Foy was a true gentleman from the greatest generation. After meeting Don Piper, author of 90 Minutes in Heaven, and hearing his testimony, there is no doubt in my mind that Francis was there to meet Foy when he made the transistion. I hope you find comfort in knowing they are together again. I know you'll miss him, his stories, and his humor, but what a good life he lived. God bless.
