“ Foy, Thomas, Donna & Family - I was so sad to hear about Toog. I have so many fond memories of her beginning when I was just a little guy. We always had such great visits at Mema's and she was ALWAYS interested in what I was doing. She will be missed.

“ Foy, Thomas and Donna, I'm so glad to have known Frances and to have been a guest for a few of her wonderful Sunday dinners. She was one of the nicest and kindest people I have ever known. No one is ever completely ready to lose a wife and mother but take comfort in having had her for so long.

I am so sorry for the loss of your Mom. I know from listening to you talk about your parents that she was a very special lady. Having lost my father, I know the sorrow you and your family are feeling right now, but please know that as time goes on your tears will turn to happiness as you remember the many blessed times you had with your Mother. Please know that you, your sister, and the rest of your family are in my thoughts and prayers.

“ Donna, Thomas, and Foy...Your loss brings sadness to our hearts, but I know that God will see you through the pain of her departure. However, you can celebrate the life she lived..that of a true servant to anyone who knew her. She loved her family, and it was always a pleasure to meet her out in public, but few will ever experience how welcome one could be made to feel around her Sunday dinner. I have never seen anyone as selfless when it came to serving her family or visitors in her home on Sunday. She would start shopping on Thursday so that everything would turn out just right on Sunday. I've never met anyone who enjoyed cooking like Frances. God broke the mold after he made her. Please know our thoughts and prayers are with you. She had to separate from all she loved to make the transition to the next life. We have to leave here to see Jesus..God Bless! Glen
