“ Although we now cry tears of pain,  
We will very soon cry tears of joy once again.  
For you and your loved ones will be perfect and happy for eternity.  
Jehovah God will bring them back, in perfect health, to you, you will see.  
All we need is to find out what Jehovah God wants us to do.  
I am sure that your loved one would love to be welcomed by you!

“ I am sorry to read about the passing of your love ones. I send my sincere condolences to the family and friends. When the enemy death strikes our grief can be great. It is at times like this that we need comfort and support whether we are acquainted or not. May the Father of tender mercies, the God of all Comfort, comfort and sustain the family and friends during this time of deep sorrow. May you also find comfort in the scriptures found at Revelation 21: 1-5 here Almighty God promise in the near future that: death, mourning, outcry and pain will be things of the past. Yes, hold on to the wonderful memories that you have, for your beloved one will not be forgotten by you or our Heavenly Father Jehovah for He has also promised to bring about the ?resurrection?. Everything that Almighty God promise will come true, for it is impossible for him to lie.. Once again, you have my sincere condolences.
