“ I know it been so long ago, but have been remembering Frankie for some time now, and decided to check and see when she passed away. Frankie used to come across the street to check on my mom...the flower lady. I lived in Dallas, Texas, and I always appreciated that so much, but not sure that I ever told her. Frankie was such a fine lady. I know your still going Cecil, take care of your self. Hope to see you around.
