“ *Dear Jan and family. I am so sorry to hear about Lucille passing away, she was a true friend to me and I loved her dearly. We worked together at the school cafeteria for several years, she was a joy to be around and always kept us girls laughing, we enjoyed her so much. You will miss her dearly, but know that she is in a better place and you will be with her again someday. God Bless you and your family. My prayers are with you all.*

“ Jan and Jay, I often reflect back to the times I would purchase some fresh milk and eggs from your mother. I'm uncertain how she treated others but as for myself she would always want me to come in and some coffee. Your mothers love for both of you was unconditional. I have a lot of fond memories of your mother. I feel as though God has provided her a place at his table for all her kindness.
Respectfully Leonard Janousek Note: I will try to contact you Jay.

“ Jan, I know how difficult this time is for you. You had a very special bond with your Mom. You had the honor of having her as your Mom, your Best Friend, and for awhile almost like your child. I hope you find peace in knowing she is with the Lord and may you find comfort in the memories of the wonderful times you shared. You are in my heartfelt thoughts and prayers.

“ Jan, I am so sorry to hear about your mom. Lucille worked part time at the school cafeteria when she was in her 70s and 80s. She was a hard worker even then. We loved to hear her tell her stories. You never knew what she would tell! I do remember when she told about having to leave you and your brother in the house when you were very young to go tend to the animals outside and she raised the bed up enough to set it down on your pajamas so that you couldn't get away and get into anything but you would have someone to play with while she was out feeding. I always called her goosey loosey. She was one of a kind! I know she will be missed.
