“ Kathy: I doubt you remember me, but we went to church with you and Gary several years ago. You, Gary, Ralph and Nona were such an inspiration to my husband and I. Gary always let the light of the Lord shine through him and I am sure he had a great reward when he got to heaven. I lost my husband almost 3 yrs. ago and the path is terribly lonely but what a joy to know that we will see our loved one again. You are in my prayers as are your girls and their families..

“ So sorry to hear of Gary's passing. It has been many years since I lived in Lindsay, but I remember, with love, our days when the children were small at the Free Will Baptist Church. I will always remember the day Gary gave his life to the Lord - as my husband was being baptized. Kathy rushed home to get Gary a change of clothes, and he was baptized that day also! Prayers going up for your family that your many years of wonderful memories will give you comfort in the days to come.
