“ Family, its not going to be the same on our block anymore although we have all grown up pretty much and moved on with our life's. Geneva was a great neihsor her and the whole family. We couldn't of gotten any better neihsors than them. When I found out she had passed on I had the biggest tear's whale up in my eye's and told mother no way. She and Dad both done the same too. They just loved her and she and Hershell were so good to call mother when dad would fall outside if she hadn't realized he had snuck of out there. Thanks Geneva you were the Greatest and you will be missed by our family. You all know we love you and our prayer's and thoughts are with you, so sorry it has taken me so long to post this. But she was kinda like a second mom to us kids on the block. We had a many great times. Love and Prayer's
