“ Joy, Really sorry to hear about Tex. It was easy to see in the short time that I knew him that he was one of a kind and I really am glad that I got to spend time with him. Even as awful as he felt, he still had a welcoming smile and a wry joke. I will miss him. Sincerely, Shelia Hatton

“ Joy,Larry,Dean,Jay Scott....I'm sorry to hear of Tex's passing from this life. Remember however that we have to make this transition to see Jesus. I am confident that Tex is much happier now than he was just a week ago. Tex was a true gentleman. He always had a kind word..a word of encouragement..maybe a word of wisdom that he would share...but he always cared for those around him. Tex had a way of making your day a little brighter in his own special ways. I remember working on the big house after the July 2, 1972 tornado..he was nothing short of delightful to work for. I feel blessed to have known Tex. He was special to anyone who knew him...God Bless you all! Glen Fox

“ Dean, Jay Scott, Larry, and Joy Ray, I know how bad it hurts to see Tex go, and will always cherish the interest and time he provided to me, and all of you. Lots of football games, practices, fishing, dodging snakes at Criner, hauling those 150 lb bales of hay, and the list could go on....including the times when we were little kids and Tex would let us drive the old blue pickup. I am gonna miss him.... but Heaven is truly a better place, and Dub, and Leta were certainly waiting at the doorstep to show him around. Hang in there! Time does help heal these awful times. Love, Joe Brent, Tess, and family

“ JoyRay, Larry, Dean, Jay Scott and family, My thoughts and prayers are with each of you during this difficult time. I can remember Tex teaching our Sunday School Class and all the good times. We would have class parties out at the lake with big bon fires and roasts. I can remember especially one night swinging from the tree swing over the river and I feel in, Tex saved me and got me some dry clothes. He made everyone smile that was around him. I will always remember Tex with the fondest of memories. Just know he is not suffering anymore and is in a better place than we are. May the Lord wrap his arms around you with his caring. Love you, Martha

“ Joy, Larry, Dean, Jay Scott & families, I will miss Tex so much, but am rejoicing that he is with the Lord. He was so much a part of our family. I remember Mike working with him, Scott and I going fishing at the lake, and even taking the grandkids. Destani, Brayden, & Brayley will miss him and his candy at church. They loved him so much as we all did. May God keep you in His care during this time. All my love.
