“ I haven't written yet because I haven't been sure what to say. I still don't. I tried to tell everyone at the service that when I think of you, it is always of you playing your toothpick joke on people. Those that knew you well know what I mean. We all love you and miss you. Please look down on Kaye Lynn, Grandma, and Dad and help them get through this. They are having a hard time. Love Kristi :)

“ Bernice, I rememeber way back when Lynn worked with my dad and would come by the house and we'd be sittin on the front porch and he would tease me. I don't think there was ever a time I saw him that he didn't tease me and will never forget that mischievious smile and his laughter. He will truly be missed, but now he can rest in peace.
