“ Joel, Helen and I were China Painting Buddies. We had such fun painting and laughing all the while. The world needs more like Helen. One thing for sure, Heaven just got a whole lot brighter with Helen being there. Helen & Buster loved you so much & thank you for being so good to them.

“ Going Home  
When our work here  
on this earth is done,  
Our Precious Lord will call us home.  
Oh what a joyful time this should be,  
Oh ~ for You and for Me.  
There is always a time of sadness,  
But with the Lord we will have only gladness.  
We will go through our weeping and sorrow,  
But we must continue to live  
for today and not tomorrow.  
Even though we might feel as though we were left here alone,  
God's child and our dear loved one  
is now going home.  
There he will wait for us to one day  
join him in that wonderful place,  
Where we too will have no worries or cares,  
and again see his face.  
But until our time has come we must continue the work that should be done,  
Then our Lord will return to call to You and Me ~  
the battle is won.  
My Dear Child You Are Going Home!
