“ Janet was a great lady and she loved her family so much. I have a  
lot of good memories with her at the lake and at family gatherings  
where she always made everything so much fun and she always  
made sure that every freezer was filled with plenty of food for  
everyone. She was always thinking of what she could cook for you  
or what she could do to make your stay with her more pleasant. She  
was a wonderful mother and grandmother to all of you and I know  
she will be missed. Our thoughts and prayers are with each of you  
on her passing.
