“ Joyce and Family I often go on line and I was shocked when I had seen that Dub had passed away. I had sent a text message to Terry Conner and he told me he was on vacation and he didn't know about Dub until late yesterday. If I had of known I would of attended his service. A lot of the old Western and CRC hands considered are self to be Dub Webb's raiders knowing we could out work any wireline service company. I for had a lot of respect for Dub even if we didn't always agree. We knew that Dub and Wes was always proud of us no matter which road we traveled. I know Dub was in a lot of pain and now he is a peace. Respectfully Thank You Dub
