“ I took care of Jack when he was at home. I was his home health aid. I thought alot of Jack the one thing I loved most was that cute little laugh. We had some good times. That is how I will remember him. Now he is in heaven with his wife and they are laughing and telling stories. My thoughts and prayers are with the Nye family.

“ To my precious and loving father, may you be at peace and start preparing a home for us with you as it won't be long until we will all be together again. I know that you haven't quit kissing on Mama yet, ha... You were the best father anyone could ever ask for. You taught us the importance of Christian living and hard work and the integrity to do what is right. May it only seem like a moment for you till we all meet again, your loving daughter, Sharon....oh yes and Angel and Feller, too

“ I am going to miss Daddy so much. We have had many good times together, but I know the past 2 years have been the most miserable years of his life. He is at peace with his lovely wife and they will never be parted again. I Love you Daddy and Momma. One day we will be together again. Until then. Your Baby.
