“ I'm sorry I can't say that I've known James for years unlike my husband Mark. But I can say in the short time I knew him I felt honored, he was always up to something.. pulling pranks on Mark and I, we always looked to see if his big white truck was in front of the house to see if Cunningham was down at the lake. we will miss him deeply, Bless you and your family in your time of sorrow.

“ James' family... I've known James for many, many years and had enjoyed spending many hours working on various projects of the Lindsay Chamber of Commerce along with him. I considered James a friend and was a man I was fortunate enough to know. He will be missed by all that knew him.

“ Sally, John, and Karen... I am saddened to hear about your dad. I had the pleasure of getting to know him after your mother passed away. I can tell you that he loved his family. He spoke proudly of all of you and your accomplishments in life. James was a true friend that would do anything to help someone in need. It's my hope that Doy is asking him what took you so long to get here? right now. Our prayers are with you during this difficult time. God Bless you all!
