“ I will never forget the first time I met James. I was standing in the Subway line when he walked up to stand in line. We started talkng and he was always smiling. I thought to myself, I have never seen a guy who smiled as much as he does. And from then on, everytime I saw James whether it would be in Love's or somewhere else we would always exchange smiles or 'hi's'.. He will never be forgotten.

“ I am very sorry your family lost such a wonderful person. I grew up with James. We went to school together. He was always the go to guy if you was feeling sad. He without even knowing could cheer you up. It brings me much peace to know that he is loved by so many people. The last time I spoke with James, he was bragging with much love about his family. His eyes lit up and his smiled told all. He is very missed. My deepest thoughts and prayers be with you.

“ Kristy,

 James stepped into our lives and became part of our family. He quickly stole all of our hearts with his love, kindness and camaraderie and became a blessing to all of your hard-headed family. He left us with enough memories to last a lifetime.

Our hearts grieve with you during this time but we know he is resting comfortably in the Hands of the Lord. May we all find comfort in that. Please know that we are there for all of you always.

Love,
