“ Jarrod, you were one of my best friends while I lived in Lindsay. I'm sorry I wasn't allowed to keep in touch, but you knew why. I will always cherish our midnight parties at Desty's pond with Chad, Desty, and Dave. You were an awesome person and could always make me smile, even when I didn't want to. Thanks for the memories, Jarrod.

“ We will always remember Jarrod in our thoughts and prayers and hearts. He was always smiling and always there when anyone needed him. There are so many people he has touched in his short life. To his family, we were so saddened when we heard what happened, and we rejoice because we know he will now watch over all of us from heaven. May you find the peace and understanding during this tragic time and let God guide you the rest of the way. His timing, though we don't understand why, is perfect, and Jarrod would want to see us all happy and not hurt by his passing. Take care and let us know if you need anything. God Bless You All
