“ *I knew Jerre as 'Coach' as so many of us did who played football under his leadership in Blanchard, OK. Coach left an everlasting positive impression on so many of us young men. He will never be forgotten! Thanks for the wonderful childhood memories like doing 'log rolls' in the sticker patch located out in right field of the baseball field just to toughen us up! I carried your advice on into college football and it worked, Franklin, don't think out here, just react and play the game and you'll do fine! LOL! (God Bless, and may you rest in peace!)*
